Transport Minister Replies To Chamber Of Commerce

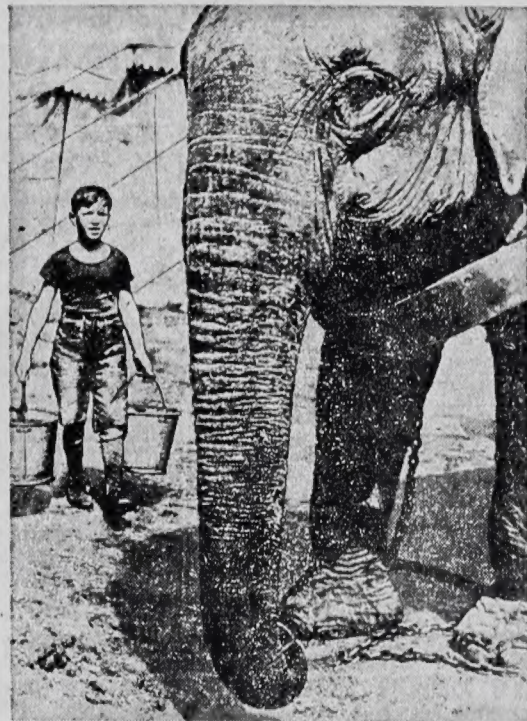

On March 17 the Haliburton Highlands Chamber of Commerce sent a letter to the minister of transport, Leon Balcer, regarding the maintaining of waters in our lakes at a decent level. The following reply was received by, R. J. Bishop, president of the chamber:

"I refer to your letter of March 17 to which was attached a resolution requesting that:

1. The Dept. of Transport be, and is hereby respectfully but urgently requested to immediately instruct its employees that all dams and barriers, now open, be closed forthwith to allow the water levels in the County of Haliburton lakes to reach normal height during the spring run-off of 1961 and that no artificial lowering of these water levels which would lower the water more than two feet below maximum be permitted during the summer of 1961.

2. The Dept. of Transport at once convene a meeting to be held in the County of Haliburton, at which the department, officers of this chamber and heads of all local tourist, cottage owners and ratepayers associations, and all other interested parties would be represented, such meeting being for the purpose of reviewing every phase of this problem. Also, that until such a meeting has successfully demonstrated that such action is essential to the national welfare, no lowering of the water levels be permitted or condoned beyond the limits set out above.

As an example the level of Haliburton Lake reservoir at the end of August in the past two years was 19 in. above the low water level and represented the draw

WHAT AGAIN—Lots of jokes have been passed down about WATERING THE ELEPHANTS from Grandpa's day. Although a modern show like the Carson & Barnes Wild Animal circus has lightened the work on the small boy with tank trucks, it takes a lot of water for their herd of elephants.

The show will be in Haliburton on Monday, July 24 sponsored by the Rotary club who will conduct a sale of advance tickets.

down of about 5 ft. above the normal high. To meet navigation it would be impossible to limit the draw down on this and the remaining reservoirs to 2 ft., but after a meeting of the officials of the department, it was agreed that the seasonal draw down of water which would be satisfactory to navigation and other interests would be studied further.

Regarding your second recommendation that the department convene a meeting of all the interested parties

for the purpose of reviewing every phase of the problem, it does not appear that any definite conclusions could result from such a meeting. The opinions and needs of the different parties interested in the Trent Canal system are in effect varying and different and cannot, in fact, be fully reconciled.

However, should your organization organize a meeting I will be pleased to send delegates from my department to attend.

Yours sincerely,
Leon Balcer.

Mindenite Wins Second Legion Car

They say lightning never strikes twice in the same place, but apparently "Lady Luck" does.

Two years ago Mr. Don Hall of Minden was the lucky winner of the Haliburton Legion car draw and last night he was the holder of the lucky ticket on a 1961 Chevrolet. In fact we understand that the car he won last night was the same color as the 1959 one.

The car draw was the climax of the annual Legion carnival which was favored with excellent weather and a good crowd.

Previous to the carnival the members of the Canadian Legion, headed by their band, paraded down Highland St. to the memorial park where they laid a wreath at the foot of the cenotaph in memory of their fallen comrades.

As well as the usual entertainment presented at these events the Legion were successful in securing a smart little midway which included a ferris wheel and a merry-go-round and these attractions were greatly enjoyed by the younger folk.

In the arena the usual games of chance were set up and those who get a genuine kick of trying their luck at this or that really enjoyed themselves. The entertainment was supplied by Irvin Prescott and company of TV and radio.

Hwy. 35 Couple Celebrate 25th Anniversary

Frank and Gladys Waters, popular hosts of Fairfield Bay resort, Mountain Lake, celebrated their 25th wedding anniversary on July 18.

On Sunday a family dinner was held at Tall Pines Inn. Guests included their daughter Susan, mother Mrs. J. Fairfield, sister Mrs. M. A. McCaw and aunt Mrs. B. J. Walker.

The table was beautifully centred with summer flowers and a silver and white cake provided by the host.

During the dinner a humorous poem composed by Bob Harvey was read. The flowers and poem were presented to the "bride."

They were the recipients of many gifts, cards and congratulations.

Beaver Prefer Furnished Apartment

One of the main summer activities is to advise summer residents regarding nuisance beaver complaints. Most of the complaints are about cutting of trees on lakeshore properties, but one could be almost classed as a genuine nuisance or even public mischief.

This beaver had decided to set up housekeeping under a cottage on Twelve Mile Lake. This cottage had been at one time a drive-in boat house but had been converted to a cottage. In the conversion an underwater entrance had been left.

The beaver took advantage of this as a pre-fab home and moved in.

Almost hourly through the night he brings in popular branches for feed and as the water level is quite close to the floor his branches scrape along joists in the same manner as a small boy running a stick along a picket fence.

This and his periodic "chomp chomp chomp" as he makes a meal of poplar bark, has to date, certainly managed to keep this family from their expected holiday rest.

It is quite possible that this is one beaver who will come to a sudden end.

WEDDING

At a quiet ceremony in Minden United Church, Gaila Jean, older daughter of Mr. and Mrs. Arnold Coulter, was united in marriage with Bud Lloyd, third son of Mr. and Mrs. Fred Stamp, on June 30 with Rev. D. Staples officiating.

The bride wore a white embroidered dress and white accessories and carried a bouquet of red sweetheart roses. Her circular veil was held by a tiara.

Mrs. Earl Ward was her only attendant in a pink gown with white accessories and a white corsage.

The best man was Mr. Arnold Stamp, brother of the groom.

At the wedding reception at the bride's home, her mother received wearing a blue figured dress with white accessories and a pink corsage assisted by the groom's mother in a blue dress with white accessories and a red corsage.

A wedding dance was held at the Rod and Gun club in honor of the newly weds and a large crowd of friends and relatives enjoyed themselves immensely.

Guests attended from Kapuskasing, Newtonville and Peterboro.

HALIBURTON NEWS LETTER . . .

At present we have many summer guests and we are sure that a great percentage of business men and any others who are interested in promoting this area welcome them with open arms. We are, however, disappointed and irked by a small segment of our citizens who seem to resent the presence of these summer guests. Last week at the Rotary beach when some children from Toronto attempted to enjoy themselves, they were told by other children that they had no right there as they did not live here. Fortunately the mother of the children, who was close at hand, made it quite plain to these young folk that the swings and slides were placed there for the pleasure of resident and tourist alike.

We would do well to remember that thousands of dollars are being expended to bring people into this area, so for goodness sake let us make them welcome as we will appreciate, especially next winter, the extra dollars that they leave here.

We extend our sincere sympathy to Reginald Hanscombe, proprietor of Deer lodge, who on Saturday suffered a stroke and had to be rushed to the hospital. While he was on his way word was received that Mrs. Hanscombe, who has suffered a lengthy illness, had passed on. It was our pleasure to

know Mr. and Mrs. Hanscombe and the splendid success they had in operating Deer lodge despite that most of the time they experienced anything but good health. We are sure that we voice the hope of a multitude of friends that Mr. Hanscombe will recover a measure of health that will permit him to resume management of this popular summer resort.

The bridge at the foot of Head Lake we understand is to be replaced in the not too distant future and we note that soundings are being made preparatory to this move. The present bridge, which was built in the hungry '30's was never intended to stand the heavy traffic of this day and age. On two different occasions vehicles have crashed through the wooden rails of this bridge and luckily no lives have been lost. The new bridge will also greatly enhance the appearance of the approach to our village.

We are informed that Mrs. Audrey McIntyre, who is at present in a Lindsay hospital, is making a slow but steady recovery. Her friends hope she may be able to return home soon.

Monday is circus day in Haliburton. It is 29 years ago since we had a real circus in this area and we have

no doubt that given fair weather there will be a lot of children and grownups on hand to see the big show. Twenty-nine years ago the great depression was still at its height but the circus at that time drew a tremendous crowd.

We are pleased to learn that Mrs. Oswald Gliddon, who has been a patient in Peterboro Civic Hospital is making a satisfactory recovery and is expected to return home this week.

We wish to compliment the Haliburton Rotary club for the splendid job they are doing in beautifying our lake front. Some time ago the club purchased the Bannon property which is situated between the railroad tracks and the lakefront. While they have only begun their task of improving this property the results are most apparent already. The establishment of the Rotary beach and the purchase of the steam engine along with the improvement of our lakefront are accomplishments that our Rotary club can view with justifiable pride.

The many friends of Wesley McDonald, who for the past few weeks had been a patient in Ross Memorial Hospital, will be pleased to know that he has returned home improved in health.

In Memoriam

Billings—In loving memory of a dear cousin, Allen Billings, who passed away suddenly July 21, 1960:

We little knew when we woke that morn,
The sorrow the day would bring,
The call was sudden, the shock severe
To part with one we loved so dear.
Sometimes it's hard to understand,
Why some things have to be
In His wisdom God has planned
Beyond our power to see.
—Lovingly remembered and sadly missed by his cousins Lillian, Len and family.

Billings—In loving memory of our dear son, Allan James who passed away one year ago on July 21, 1960:

He is gone but not forgotten
And, as dawns another year,
In our lonely hours of thinking,
Thoughts of him are always near.
Days of sadness will come o'er us
Friends may think the wound is healed,
But little they know the sorrow
That lies within the heart concealed.
—Sadly missed but always remembered by mom and dad.

Billings—In loving memory of our dear brother, Allan James, who passed away July 21, 1960:

O happy hours we once enjoyed
How sweet their memory still,
But death has left a loneliness
The world can never fill.
—Always remembered by Moss, Florence and Emily.

LUTTERWORTH LEGENDS

Chapter 12

In 1869 Alfred Carpenter and his son John took up land on the east side of Denny's Lake. Some of their neighbors were Anthony and John Bowron, John Pomeroy, George Wyatt and Arthur C. Lindop who farmed in Lutterworth for 25 years before moving to Ingoldsby.

In addition to the Pogues along Deep Bay, Fred Sawyer also had a farm while the Greers, the Trotters and the Grozelles lived near Miner's Bay where the Tracey family operated Miner's Bay lodge which is probably one of the oldest tourist resorts in the county still open for business.

Even previous to 1884, Gull Lake was a favorite spot for picnics and summer outings. An account written in 1883 tells of the steamboat owned by Mr. Frank Pierce which regularly plied the waters from Minden to the falls on the river below Gull Lake until the railway arrived at Kinmount. Even then the charms of these scenic waters and rugged highlands were attracting camping parties to the area. Some of these fell so deeply under the spell of their magic that they erected summer cottages and returned annually.

In 1860 Lutterworth was organized for municipal purposes with the adjoining townships of Galway, Snowdon, Minden and Anson under reeve Charles Austin and township clerk William Hartle, a resident of Lutterworth.

Since then Lutterworth must have established some sort of record for length of service in municipal affairs. For instance, in 1929 when John Lyle retired from being reeve of Lutterworth, he had held that office for 21 successive years. During

this term, his name appeared on the ballots only three times and previous to his being reeve he also served as councillor for 20 years—a total of 41 years in municipal office.

Another faithful public servant of Lutterworth was John H. Hulbig who was born in Montreal in 1868. At the age of four his parents brought him to Lutterworth where in manhood he married Olga Hollefreund. For 53 years, up to his death in 1942, John Hulbig was clerk of the township of Lutterworth. During 27 of these years he also filled the post of treasurer and school trustee. When John Lyle retired in 1929, John Hulbig had served as clerk under the direction of only two Reeves, William Hartle and John Lyle.

Also worthy of remembrance as a councillor and school trustee of S.S. No. 6 Lutterworth were well performed for 34 years, was John Wesley Hounsell of Miner's Bay. Born at Thornhill, Ont., John Hounsell and his wife Martha Adams did not move to Lutterworth until 1894. In addition to his farm, up until his death in 1930, John Hounsell in partnership with his sons Jack and Bill, operated a saw mill, shingle mill and planer on the shores of Gull Lake, which provided building material for many local homes and cottages.

The old school known as S.S. No. 6 Lutterworth stood as a landmark beside Highway 35 about seven miles south of Minden for over 70 years until it was replaced by a fine brick consolidated school which serves the whole area.

The story of this early school's construction was fraught with more than the usual share of difficulties for building materials had to be hauled by sleigh or wagon over a lengthy, hazardous route.

In particular, one of the Bowrons

had been hired to draw the heavy foundation timbers across the ice of nearby Marsh Lake. Whether he attempted the crossing too early or late in the season is not known, but the load proved too heavy for the ice to carry. It broke without warning and drowned a fine team of horses, in those days an irreparable loss.

In spite of such set backs, the school was built and its records tell of a forest fire which raged through the area soon after and threatened to raze it to the ground. So close were the flames that pieces of burning birch bark born by the hot breath of the accompanying wind fell so near the school playground that the terrified children, when dismissed could hardly be persuaded to start for their homes. It was probably the only occasion during the three quarters of a century of the school's service that its pupils, especially the boys, were reluctant to leave after the 4 o'clock bell.

A Minden Echo of 1884 sheds further light on conditions in Lutterworth's initial years. In discussing the forthcoming elections to be held on Monday, December 29, it had this to say of the township's progress: "We have begun to think of the township of Lutterworth as the 'banner' township. Not because it is better settled or more productive, but because of the class of settlers that till its stubborn soil. They have worked most industriously and have managed to build up houses for themselves and families under circumstances that would have driven people with less integrity clean out of the country.

"It is only by very careful management that their municipality has held its own and has managed to build school houses and pay off its railway debenture debt which has undoubtedly been a hideous night-

mare to the industrious settlers ever since it was thrust upon them. Such a municipality should have a trustworthy council. It has had one this year.

"Going carefully over the subject we find that the rate of taxation has been materially reduced this year from 111½ mills in 1893 to 64½ mills in 1884. This is certainly a good showing and we think if the same gentlemen are nominated for next year they should be elected.

"They are reeve David Galloway and councillors John Bowron, John Hulbig, David Chalmers and Francis Belfrey."

(Too bad we couldn't get the foregoing to go to work on our 1961 mill rates. Most of the townships could use a drop of 47 mills this year).

The same Echo also carries a column about S.S. No. 4 Lutterworth which notes that Mr. R. Adamson and family have returned and tells of the removal of Mr. William Henry, one of the first settlers in that section, to the farm of George Rumney Sr. at Elliot's Falls.

Even in 1884 hunting season was attracting sportsmen from the south. Ye olde editor had this to say of the event: "Sportsmen in this part of Lutterworth are having plenty of fun if we can judge from the amount of shooting that is going on. Dr. Martin of Norland, A. H. Carl of Cobocok, and several others have been enjoying the chase. Last week they succeeded in killing two deer, both of which were shot by Mr. B. Spencer. We would advise them not to be in so great a hurry when they see another deer as there were no less than four rifles fired at one deer and it escaped without a scratch."

It would seem that "buck fever" was a common disease in the 1880's too!

—LISTINGS INVITED—

EAGLE LAKE

Mr. and Mrs. Willis Bain and daughter of Gerrard, Ohio, have returned home after spending a holiday with his parents here.

Mr. and Mrs. Carl Wallace Jr. and family who are living in Toronto while Carl is taking a summer course, spent the week end in the village.

Mr. Joe McCauley and Miss Pat Mungham, both of whom are attending summer school in Toronto, were home for the week end.

Mrs. C. Schroter and Candy are holidaying with friends in Cornwall.

Sincere sympathy to Mrs.

W. Hobden and family in the death of their son and brother, Bernard Hobden. The funeral took place from Haliburton United Church on Tuesday, July 11.

Mr. and Mrs. L. Teasdale and family of Peterboro are spending a holiday with his mother.

Mr. and Mrs. J. Powell and Norman of Toronto, Mrs. Audina Powell and son Craig of Waterdown, N.Y., are visiting with Mrs. Hobden Sr.

Master Stephen Besse is spending a holiday with his parents.

MINDEN

Sympathy to the community to the family and friends of the late Mrs. Dunn Gibbs who passed away very suddenly last Saturday afternoon.

Miss Joy Hewitt spent last week with Miss Vicki Sharp in Oshawa and Vicki is here in Minden this week.

Misses Ida Noice and Isabel Curry have returned to Minden following a five week holiday in the west. They traveled by train and spent several days in Winnipeg and as well as this met some friends in Calgary. Miss Curry spent a good deal of time with her sister, Mrs. J. M. D. Nicoll in Victoria, B.C. and had several side trips including one 85 mile up-island trip. Miss Noice took a trip up the Skagway near Alaska. This sounds like a very interesting vacation and Miss Curry spent a few days at her sister's home in Richmond Hill on the way back. Both ladies felt very well after their lengthy trip and must have enjoyed watching the scenery from the dome on the train.

Mrs. Don Godberson and Glen of Fort St. John, B.C., are spending a few weeks with her parents, Mr. and Mrs. Vinton Loucks.

Patients at the local hospital on Monday were Miss Linda Grainger, Master Roy Rivers, Rev. E. W. Brearley, Miss Ranson and Mrs. Clark of Norland.

HALL'S LAKE

The Salvation Army camp at Hewk River near Hall's Lake, was the scene last week of the Salvation Army's northern Ontario divisional music camp.

For a period of eight days students from Sault Ste Marie, Newmarket, Owen Sound and centres between these points gathered for intensive musical instruction in vocal, instrumental and theory classes.

Capt. E. Brown, the divisional young people's secretary, heads the group of 12 faculty members in the instruction of the students.

Public programs were rendered each evening in the auditorium on the camp grounds. Awards were presented on Sunday afternoon, July 16, by the divisional commander, Brig. J. D. Sharp in the final musical program at 2.30 p.m.

Lutterworth Council

Lutterworth council met Wednesday, July 5 at 7.30 p.m. with all members present, clerk John Hounsell and reeve Wm. Hounsell. Also present were Mr. Dean Leary the roads superintendent, and Mr. Frank Schaeffer.

Mr. John Hounsell read the minutes of the June 7 meeting. Moved by Oliver Greer, seconded by Art Hodgkinson, the minutes of June 7 meeting be adopted as read. Carried.

Correspondence received since the last meeting was read by Mr. John Hounsell.

Moved by Roy Brooks, seconded by John Harrison, that the correspondence be filed for future reference. Carried.

Moved by John Harrison, seconded by Oliver Greer, that the road accounts amounting to \$2,261.40 be paid. Carried.

Moved by Roy Brooks, seconded by Art Hodgkinson, that the meeting be adjourned until 7.30 p.m., August 2, 1961.

OBITUARY

Delbert Franklin Rogers

Minden and district were shocked and saddened to learn of the sudden passing of Mr. Delbert F. Rogers at his cottage on Devil's Lake.

The late Mr. Rogers was born at South Lake near Minden in 1889 and was the fourth son of Nelson and Sarah Jane Rogers.

In 1911 he was united in marriage with Cora E. Rogers, daughter of George and Alida Rogers. From this union were born three children, Mrs. Phil Robinson (Florence), (Mrs. Ernest Voycey (Grace) of Gamebridge and Roy of Orillia.

Eight grandchildren survive, Mrs. Paul Cockburn (Eileen) of Lindsay, Voycey, Will, Ron, Victoria and David and Janice and Bradley Robinson; also three great grandchildren.

Mr. Rogers spent most of his life around Minden but for the last few years made his home at Gamebridge. He was a faithful and earnest member of the United church and L.O.L.

He was predeceased by brothers Fletcher, Lorne, Fred and Wesley, but his two sisters, Mrs. Burt Harrison of Goderich and Mrs. John Gibson of Woodville survive.

The funeral service was held on July 8 from John Welch and Son Funeral Home and thence to Minden cemetery, with Rev. D. Staples officiating.

Pallbearers were Will and Ron Rogers, Raymond, Nelson and Roger Harrison and Lorne Mortson. Floral tributes were many and beautiful.

Relatives attended from Toronto, Woodville, Goderich, Beaverton, Orillia, Gamebridge and Lindsay.

Card of Thanks

We wish to express our heartfelt thanks and appreciation to our many relatives, neighbors and friends for the kindness and sympathy shown us in the loss of a dear son and brother, Bernard Hobden. Special thanks to Rev. Petrie for his consoling words, Dr. L. H. Carroll and the Welch funeral home. The many acts of kindness and understanding from so many people will long be remembered.

—Mrs. Walter Hobden and family.

I wish to express my thanks to my relatives, friends and neighbors for all their kindness and get-well cards.

—Ed. Johnston.

WEDDING

McGarrity - Carey

Saturday, June 17, 4 p.m. was the date of the wedding when Rebecca Carey of Gooderham was united in marriage to Mr. Alan McGarrity of Scarboro at Knob Hill United Church, Scarboro, with the Rev. Corscadden officiating.

Given in marriage by Mr. Norman Locke, the bride wore a floor length gown of white French lace and shoulder length veil and carried red and white rose buds.

The bridesmaid was Gloria Aldred, sister of the bride who wore pale blue with white accessories and white mums and rose buds.

The best man was Mr. Kenneth McGarrity, brother of the groom and ushers were Eddie Dayholas and John Byne.

For the reception the bride's mother wore a lilac dress with white accessories and corsage of yellow roses, while the groom's mother was attired in blue with white accessories and corsage of pink rosebuds. The groom's grandmother chose a dress of blue with white accessories and corsage of pink carnations and lily of the valley.

After partaking of a delicious dinner, the happy couple motored through northern Ontario and Michigan, the bride traveling in a pale blue suit with white accessories and pink carnations.

Mr. and Mrs. McGarrity were the recipients of many gifts. They will reside in Gooderham and have the best wishes of the community.
